Where Promotion Meets Good Taste!

## 300- Domed Mint Tins

Print it horizontally or vertically, from a one-color logo to a picture that speaks a thousand words, this tin fits well in the desk, pocket or purse. Use an image of a sports field shot from above, a building facade for a destination property, Mt. Rushmore never looked better, or an image of any piece of equipment or machinery. This item is good for a tradeshow or any remote promotional event as a giveaway. Match the corporate colors with Jelly Belly too!
