

# Go Green for 2025!

Eco-Friendly

SUSTAINABLE MATERIALS & PRACTICES

## Ready to make an *eco-friendly* impact with your packaging?

We're all about delivering sustainable options that are as deliciously innovative as the products they hold!

### Wrapper Bars:

Stylish and eco-smart! Bars use eco-conscious packaging without sacrificing vibrant, custom designs.

### Compostable Digibags

At home compostable digibags are like a blank canvas - they are fully customizable, perfect for tasty treats, and totally earth-friendly.

### Post Consumer Recycled Hemp Paperboard

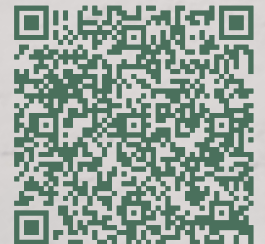

Sleek, sturdy, and sustainable - our hemp boxes offer a natural look while protecting your products.

## Fun Fact

**US Farmers & Grocers are exploring compostable produce stickers.**

Why not get ahead of the trend with our innovative, planet-friendly solutions?
